Email: dodonallc@proton.me

This Privacy Policy explains how DODONA LLC ("we", "us", "C-Drop") collects, uses, and protects your personal data when you use the website **c-drop.xyz** and participate in the C-Drop pre-sale or referral program (the "Services"). We are committed to processing your data lawfully and transparently, in accordance with the EU General Data Protection Regulation (GDPR) and other applicable data protection laws.

1. What data we collect

We collect only the data needed to provide the Services:

- **Contact data:** your email address.
- **Order data:** your selected account size (50K / 100K / 200K), quantity, or referral participation, and the amount due.
- **Payment data:** the cryptocurrency payment address generated for your order, the blockchain transaction identifier, the amount received, and the payment status. We do not collect or store card or bank details.
- **Technical & anti-abuse data:** data processed by Google reCAPTCHA to protect the Services from automated abuse (including your IP address and interaction data, handled by Google).
- **Preferences:** your language choice, stored locally in your browser.

2. Why we use your data and legal bases

Purpose	Legal basis (GDPR Art. 6)
Register and manage your pre-sale order or referral enrolment	Performance of a contract
Generate your crypto payment and confirm it on-chain	Performance of a contract
Send you a payment confirmation email	Performance of a contract
Prevent fraud and automated abuse (reCAPTCHA)	Legitimate interest
Comply with legal and accounting obligations	Legal obligation

Your email will also be used to identify and link your pre-sale credit, discount, or referral account to your future purchase, as described at the time of your order.

3. Service providers (processors) we use

We share your data only with providers that help us operate the Services, under appropriate agreements:

Provider	Purpose	Location
Google (Firebase / Firestore)	Secure database for your order	European Union (Milan, Italy)
bcon.global	Cryptocurrency payment processing	Outside the EU
Brevo (Sendinblue SAS)	Transactional confirmation emails	European Union (France)
Google reCAPTCHA	Bot and abuse protection	Outside the EU
Cloudflare	Website hosting, delivery and security	Global edge network
Vercel (AWS)	Secure forwarding of the payment request	Outside the EU

We do not sell your personal data to anyone.

4. Where your data is stored and international transfers

Your order data is stored in the European Union (Milan, Italy). Some of our providers may process limited data outside the European Economic Area. Where this happens, such transfers are protected by appropriate safeguards, such as the European Commission's Standard Contractual Clauses.

5. How long we keep your data

We keep your data for as long as necessary to fulfil your pre-sale order or referral participation and the subsequent launch, and thereafter only as required to comply with legal, tax, and accounting obligations. When no longer needed, your data is deleted or anonymised.

6. Your rights

Under the GDPR, you have the right to: access your data; request correction or erasure; restrict or object to processing; data portability; and withdraw consent at any time (without affecting prior processing). You also have the right to lodge a complaint with your local data protection authority.

To exercise any of these rights, contact us at dodonallc@proton.me.

7. Security

We apply appropriate technical and organisational measures to protect your data, including encrypted connections (HTTPS), restricted server-side access to our database, and secret management for all credentials. No method of transmission or storage is completely secure, but we work to protect your information using industry-standard practices.

8. Cookies and similar technologies

The website itself does not use advertising or tracking cookies. We store your language preference locally in your browser. Google reCAPTCHA may set cookies and process data as part of its bot-protection service, governed by Google's own privacy policy.

9. Children

The Services are not directed to individuals under 18. We do not knowingly collect data from minors.

10. Changes to this policy

We may update this Privacy Policy from time to time. The "Last updated" date above reflects the latest version. Material changes will be communicated through the website.
